

Welcome to **A&S Innersprings USA**

A&S Innersprings USA is a young company built on the foundations of two family-owned companies: AGRO and Industrias Subiñas. These companies both share traditional values of highly personal service and the strong commitment of their employees with a clear future-oriented approach. For decades, both have been recognized internationally for their expertise in the sector of innersprings. At A&S we are keen to build upon this wealth of experience. We are focusing on developing long-lasting business relationships based on trust and service supported by top quality products and a continually developing range.

We are looking for a:

Industrial Electrician (m/f)

These are your tasks:

- Ensuring continuous equipment availability by preventive maintenance
- Carrying out maintenance and service on manufacturing and operational equipment
- Fault finding and analysis as well as elimination of faults
- Remodeling and new installation of production and operational facilities
- Conversion and optimization operations

We offer you:

- An open-minded team and an open working atmosphere
- Flat hierarchies and short communication paths
- A varied, interesting and responsible work
- A high degree of independent work
- The personal environment of a medium-sized family business

Your skills:

- Successfully completed vocational training as an energy electronics technician, technician for industrial engineering or a comparable qualification
- Experience in the maintenance of production and operational facilities
- Experience with motors and sensors
- Knowledge of the control and feedback control system SPS
- Basic computer skills
- Good English and/or Spanish language skills
- Very good communicative skills and joy in the procurement of knowledge
- Reliable, farseeing principle of operation
- High level of teamwork and flexibility
- Readiness for shift and weekend work

Would you like to join our team? We are looking forward to receiving your application (please send an e-mail) under the keyword **Industrial Electrician (m/f)**, indicating your salary requirements as well as your earliest starting date.
